The Revelree Music Festival is taking place on Friday, July 22, 2022 and Saturday, July 23, 2022 inside of Canatara Park in Sarnia, Ontario. The festival is intended to showcase primarily Canadian artists and acts from all genres of music.

The event is intended to be a celebration of what people love about the Sarnia-Lambton: community, summer, beauty, comradery – and music. Revelree is not just a music festival – it is a weekend-long manifestation of everything that makes summer in Southwestern Ontario great – and aims to have as many local residents enjoy the kinship we share and visitors experience the warm hospitality Sarnia offers. The name ‘Revelree’ is derived from the word revelry – which means ‘celebration, festivities and liveliness’ – and the word jubilee – which means ‘an occasion or season of rejoicing’. These two words are at the heart of what this festival stands for – a joyous, positive, celebration with friends – and what better way is there to bring this celebration to life than to bring thousands of concert-goers together to sing, dance, laugh, and enjoy the talents of some great musical artists. The Revelree Music Festival will utilize a cornerstone of the Sarnia-Lambton area in Canatara Park, so as to place this celebration at the heart of a brand new large concert venue that completely represents ‘summer in Sarnia’.
